

THE TOMORROW TRUST IS A NON-PROFIT ORGANISATION CREATED IN 2005 TO SUPPORT ORPHANED AND VULNERABLE CHILDREN AND YOUTH.

WE DESIGN AND DELIVER WORLD-CLASS HOLISTIC EDUCATIONAL PROGRAMMES, SUPPORTING OUR BENEFICIARIES, FROM THE PLAYGROUND TO THEIR PROFESSIONS.

WE WORK WITH THE GOVERNMENT, BUSINESSES, AND ORDINARY SOUTH AFRICANS TO REALISE THE VISION OF A SOCIETY WITH CONSCIOUS AND HOLISTICALLY EDUCATED LEADERS.

TOMORROW TRUST GEOGRAPHIC FOOTPRINT

“OUR DAILY DEEDS AS ORDINARY SOUTH AFRICANS MUST PRODUCE AN ACTUAL SOUTH AFRICAN REALITY THAT WILL REINFORCE HUMANITY’S BELIEF IN JUSTICE, STRENGTHEN ITS CONFIDENCE IN THE NOBILITY OF THE HUMAN SOUL, AND SUSTAIN ALL OUR HOPES FOR A GLORIOUS LIFE FOR ALL.”

– NELSON MANDELA

HOW DO WE HELP OUR PARTNERS

We deliver World-Class, evidence-based programmes that are results-driven. We work with partners to meet their compliance and alignment needs.

From South African **Broad-based Black Economic Empowerment (BBBEE)** recognition, meeting **Social Economic Development (SED)** and Skills Development needs, to best practice **Corporate Social Investment (CSI)**, Employment volunteering opportunities or strategic philanthropy.

We provide our partners with the opportunity to invest in the broad-based academic **base of school-going children from ECD to Grade 12** and **bespoke Bursary Management programmes**. We design tailor-made work readiness workshops for **Corporate Graduate programmes**. We offer hands-on developmental sessions and counselling to support the retention of **YES (Youth Employment Services) Youth**; a joint initiative by the private sector and government.

WHY SHOULD YOU INVEST IN TOMORROW TRUST

Education raises people’s productivity, creativity and promotes entrepreneurship and technological advances. **Education**, in every sense, is one of the fundamental factors that can shift socio-economic class. In addition, it plays a very crucial role in securing economic and social progress and improving income distribution. By investing in Tomorrow Trust, you will be creating Conscious Leaders of Tomorrow, who can thrive and actively contribute to the greater good of South Africa.

BALANCE

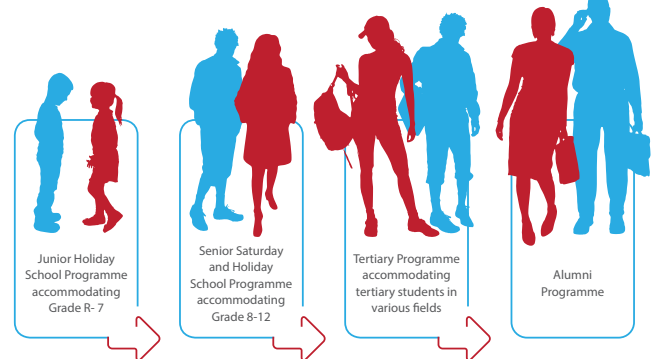

Our **four areas of intervention** are **interlinked and interchangeable** according to what grade our learners are in. We believe that by providing this combination of support, we can truly unlock opportunities and access to our children and young adults.

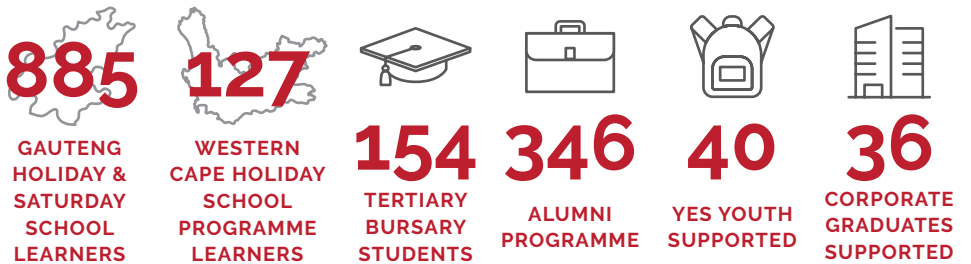

WHAT WE DO

Tomorrow Trust’s **Holistic Educational Programmes** include academic, psycho-social, career, and digital intelligence development to orphaned and vulnerable children and youth, from the playground to their professions.

The following sections outline the programmes that **enable beneficiaries** to become thriving, conscious leaders of Tomorrow:
