

Invitation to

MUT ALUMNI FUNDRAISING DINNER

Dear MUT Alumni, Colleagues, Captains of Industry and Partners

It gives me great pleasure to invite you to the Alumni Fundraising Dinner, which is going to be our premier annual fundraising event going forward.

The Alumni Relations Office and Convocation Executive Committee have rightfully chosen this event to start key conversations on mobilizing funds and other resources for our university, and creating opportunities for our students.

MUT was born out of the commitment to give humanity an equal opportunity to reach our full potential regardless of race, gender and economic class, even in the face of adversity. Our students face different economic and social challenges from those that characterized South Africa when the institution was founded in 1979.

This Alumni Fundraising Dinner is meant to respond to some of these challenges by creating an opportunity for us to come together and exchange ideas. I believe that the key to solving our current challenges lies in co-finding the solutions together as a diverse collective. The event will be hosted by:

Sandile Zungu

MUT Chancellor

Businessman and Founder,

Zungu Investments Company (Pty) Ltd (Zico)

I envisage that this event will be an annual feature in all our calendars and that it will be a platform for us to continue to remain connected to our institution.
