

- **If you meet qualification requirements, your application will be given immediate attention.** You could be one of the first among your classmates to own a MUT student card!

FINANCIAL MATTERS

Did you know you can afford to study at MUT?

Providing access to academically excelling students is our main objective, and we believe your financial circumstances should never stand in the way. That is why MUT offers the most competitive tuition fee structure, ranging between R4 530 and R15 350 per semester depending on the course and subjects. Our financial aid resources and policies ensure that MUT is affordable for all prospective students.

NOTE: Access programmes are not funded by NSFAS.

MUT BRIEFLY

Mangosuthu University of Technology (MUT) is uniquely located in a semi-urban setting at the heart of Umlazi Township, the fourth-largest township in South Africa. We are a diverse institution anchored in our communities and driven by our strategy statement which is: **shape and own the future.** MUT is a research-informed University of Technology with a work-integrated curriculum that seeks to provide experiential learning and exposure to professional practice.

If you are interested in engineering, natural sciences, or management sciences, MUT has a place for you. Regardless of who you are, where you come from, or where you want to go from here, as a MUT student you will be valued as an important part of our family. Our students and academic staff represent a diverse group of South Africans and Africans from across the continent and outside the African borders.

FACULTY OF ENGINEERING ACCESS PROGRAMMES

FACULTY OF ENGINEERING

The faculty of Engineering offers access programmes designed to prepare students who could not fulfil all the diploma entrance requirements. The purpose of the engineering access programmes is to enhance the students' existing knowledge with the appropriate skills, knowledge, and attitude required to enter the engineering diploma programme

The faculty of engineering offers access programmes in Building, Chemical, Civil, Electrical, and Mechanical Engineering. The duration of the programme is six months (one semester) except for the Building and Construction Management access programme which takes one year to complete. Applicants who satisfy the minimum requirements will be subjected to a selection process. Applicants will be ranked based on their academic results and selected for admission accordingly. Mathematical Literacy will not be considered.

NOTE: The access courses may not be repeated.

MINIMUM SUBJECTS REQUIRED:

- English | Maths | Physics
- All at 40% and above
- Further departmental screening processes

ACADEMIC PROGRAMMES

Qualification	Minimum requirements	CAO Code
Chemical Engineering (Duration 6 Months)	English HL 4 /FAL 3 Mathematics 3 Physical Science 3	MN-M-CEB

Qualification	Minimum requirements	CAO Code
Civil Engineering (Duration 6 Months)	English HL 4 / FAL 3 Mathematics 3 Physical Science 3	MN-M-CVB
Electrical Engineering (Duration 6 Months)	English HL 4 / FAL 3 Mathematics 3 Physical Science 3	MN-M-EEB
Mechanical Engineering (Duration 6 Months)	English HL 4 / FAL 3 Mathematics 3 Physical Science 3	MN-M-MEB
Building (Duration 1 Year)	English HL 4 / FAL 3 Mathematics 3 Physical Science 3	MN-M-BUB
Surveying (Duration 6 Months)	English HL 4 / FAL 3 Mathematics 3 Physical Science 3	MN-M-SVB

APPLICATION PROCESS

WHERE AND WHEN TO APPLY?

All first-year applications to study at MUT are submitted through the Central Applications Office (CAO) online at www.cao.ac.za/apply. This is a simplified way of applying for more than one programme, using one application form, and paying a single application fee. You can track the progress of your application by going to www.cao.ac.za and enter your CAO number, or sending an email to enquiries@cao.ac.za or call +27 268 4444.

Applications open in January and close on 30 September with late applications accepted until 30 November.

Please Note: Late applications accumulate a fee determined by the CAO.

MUT MY FIRST CHOICE!

The number of spaces for first-time entering students is around 3500 across all faculties. By the end of October, we receive over 80 000 applications for first-time entering students. The selection process is quite difficult and without a doubt, we select those that chose MUT first, provided they meet our selection requirements.

Each year, thousands of students ask us why they should apply on time and make MUT their first choice. Here are some of the reasons:

- **Making MUT your first choice is the ultimate way to demonstrate your interest in MUT.** An opportunity for you to differentiate yourself from the rest of the crowd.
- **Competition is keen.** Each year MUT receives over 80 000 applications. Putting us first gives your application a better chance for consideration.
