**SUBJECT : NSFAS PAYMENTS TO BE PAID TOMORROW: CLASSES TO CONTINUE**

**DATE : 03 MARCH 2024**

---

Dear MUT Staff and Students,

Our attention has been drawn to a circular urging students not to attend lectures tomorrow because of the non-payment of allowances.

We urge students to ignore this circular and we want to warn those who intend stopping other students from attending lectures that the university will make them face the consequences of their behaviour. The problem that caused a delay in the payment of allowances has been resolved and allowances will be paid from tomorrow, 4 March 2024.
