End-user: (Technical Enquiries): Mr JS Ellenson Contact: 0319077109 E-mail: jabulani@mut.ac.za	Procurement Buyer (SCM Enquiries): Mr Kwenza Buthelezi Contact: 031 819 9535 E-mail: procurement3@mut.ac.za
Request Date:	11 September 2024
Closing date: 18 September 2024 Closing time: 11h00	Completed Quotations Send-via E-mail: procurement32@mut.ac.za & state RFQ MUT 560/2024_in the e-mail subject line.
RFQ Validity Period: 90-days	Payment Terms: 30 days in arrears after receipt of a valid tax invoice.
NB: Clarification questions to be directed by e-mail to both the MUT End-user & Buyer (ONLY).	

Bidder's Information:

▪ Bidder's Name:	
▪ Contact Number:	
▪ Name & Surname of Authorized Person:	
▪ E-mail:	
▪ Company Registration Number:	

RFQ TERMS OF REFERENCE:

1. Bidders must submit all necessary documents and complete all forms and questionnaires contained in this RFQ (in full). MUT applies the three-stage process of evaluating tenders, i.e., mandatory, functionality, price and B-BBEE criteria.
2. Pricing: do not show separately (unless stated otherwise herein).
3. Bidders responding to this quotation are deemed to do so, on the basis that they acknowledge and accept all Terms of Reference of this quotation.
4. The 90-day validity period may not be extended (unless otherwise stated by the bidder).
5. Incomplete or late submissions will not be evaluated.
6. Return quotations to the e-mail address provided herein before the closing date and time.

Instruction:

The bidder's information block must be filled out in full, signed by authorized personnel adhering to the closing date. The supplier must carefully read the instructions and the terms of reference of this document. Failure to adhere to these instructions and terms of reference may result in the disqualification of the submission.

WHAT IS MUT LOOKING FOR?

The MUT Maintenance Department seeks to appoint one suitably qualified and experienced 2SF (or higher) CIDB graded specialist contractor to carry out ad-hoc, routine, planned preventative / PPM, risk based, condition based and emergency Fire Signage, Fire Prevention & Fire Protection systems and equipment installation, replacement, repair and maintenance services as and when required, MUT-wide. OPEX and CAPEX budgets apply.

Specification:

Reference is made to the "Mandatory Criteria", "Functionality Criteria", "Pricing Schedule" and "B-BBE Criteria" pertaining the procurement of performance driven ad-hoc, routine, PPM, risk based, condition based and emergency Fire Signage, Fire Prevention & Fire Protection systems and equipment installation, replacement, repair and maintenance services for a contract period not exceeding 1-year.

The specifications and frequency schedules below, serve as a general concept for all areas and as a guideline to minimum requirements, but may be adjusted in accordance with the University's requests, mutual arrangements or to ensure a better service. The South African National Standards need to be adhered to as a minimum guideline. The Contractor must acquaint himself as to the exact situation, boundaries and areas, as well as the diversity of the various types of installations and assets.

Competent, qualified, registered and experienced fire safety contractors to conduct a status analysis of the existing fire equipment and systems focusing on the following items:

- Is the current system sufficient for the building?
- Does the building comply with the requirements of the fire safety as regulated in OHS Act and any other related municipal bylaws or regulations?
- What is the status of the installed equipment?

- What measures to be implemented to ensure complemented to ensure compliance of the above and any other relevant requirements in terms of the building regulations requirements?

Submit a full report on the items with best possible maintenance and repair methods on items identified as defaults or non-conformances.

Technical Services

The Contractor hereby accepts to deliver all technical services, which includes the following:

- The entire servicing and maintenance including preventative maintenance of the Fire Extinguishers and Hose Reels and related Equipment of the University in general and to the satisfaction of the University.
- These services must be carried out in an acceptable manner by the Contractor and must be integrated with the daily activities on the University and specifically in a manner and according to time schedules as specified in the applicable section of this documents, which may be amended by the member in writing from time to time.

Nature of Agreement and Provision of Resources

The University requires a full risk-agreement in respect of the provision of this service in terms of which the Contractor is bound to the provision of services for the contract period and the amount(s) as quoted in terms of the tender documentation. The Contractor will be held liable for the complete extent of the agreement including the risk of all expenses and cost arising from this agreement.

The Contractor shall provide all labour, materials equipment, tools etc. and other incidence or derivative resources required for the provision of the services in terms of this agreement unless otherwise specified in this agreement.

Standard of Service

The Contractor shall provide a service in terms of this agreement in accordance with the terms of this Agreement, whilst at the same time conforming to the standards as specified as in the clause as well as to the complete satisfaction of the University.

The Contractor is responsible for the implementation and execution of control systems and procedures (including supervision) as required by the University to ensure that the services are provided according to the standards specified in this agreement.

Risk and Accountability in respect of Employment

The contractor accepts full accountability for all actions of his staff, or any other person who's services the Contractor may use and will ensure that such actions will at no time or in no manner endanger the students, staff or property of the University, with specific reference to dangerous actions such as the installation of electrical cables, wiring and application of chemicals.

Should the contractor, with the written consent of the University, make use of the University's equipment for execution of services, he will do so in accordance with the conditions as

specified by the University and at its own risk. The risk will extend to the replacement valve of such equipment.

Additional Duties and Obligations of the Contractor

The Contractor shall:

- Provide amended services on the basis that it forms part of the obligations of this agreement, but subject to amended compensation as specified in this tender document. The Contractor shall indicate his acceptance or rejection of the price adjustment as indicated in the amended instruction within 14 days of receipt thereof.
- Still remain accountable for providing services in terms of this agreement and in general for the cost, damages and expenses provided for in terms of this agreement as well as any services or part thereof executed by a third party.
- Ensure that all equipment, building or other facilities provided to the Contractor is properly maintained, cleaned and returned to the University in the same condition.
- Accept full accountability for the security and safety of the University's assets in any way affected by the activities of the contractor in the execution of this agreement.
- Remove at own cost all rubbish and refuse, which may result from the provision of services on a daily basis.
- Accept full accountability and responsibility to ensure the accuracy of all amounts, figures, quantities and specifications as specified in this tender.
- Ensure that he is aware of the scope of services in respect of maintenance and preventative maintenance.
- Maintain comprehensive documentation in order to prove purchase prices of material as required and specified in this tender.

Reporting

The Contractor shall report on request as follows:

- A schedule of services provided.
- A short report with regards to all activities implemented to address issues demanded by the decisions taken at site meetings.
- A list of special issues proposed by any of the parties.
- Report regarding services rendered including the remedial actions taken to rectify previous sub-standard performance.

Project Specifications: Technical Services

Standard Specifications

- SANS10139 – Fire Detection System
- SANS14520 – Clean Agent Gaseous Systems
- SANS306 – CO2 Gaseous Systems
- All other and related laws, by-laws, regulations, standards and specifications

Materials and Workmanship

All work is to be executed with materials of the best quality and in the most substantial manner under the inspection and to the entire satisfaction of the University.

The equipment and installations shall be in accordance with the following:

- The National Building Regulations and Building Standards Act No.103 Of 1977 as amended in 1984 and all amends thereafter.
- The latest revision of SABS 0400: The Applications of the National Building Regulations, as amended.
- The Machinery and Occupational Health and Safety Act No.85 of 1993.
- Any other relevant laws, by-laws and regulations of local or other authorities. All apparatus, components parts, fittings and materials supplied and/or installed whether specially specified herein or not shall conform in respect of quality, manufacture, tests and performance with the requirements of the appropriate current South Africa (SABS) or other relevant standards and Addenda thereto, except where otherwise required by this Specification or permitted by the University in writing. All materials and workmanship which may, in the opinion of the University be inferior to that specified for the work will be condemned. All condemned material and workmanship must be replaced or rectified as the case mat be to the satisfaction of the University and at the Contractor.
- No second-hand equipment of any description may be offered for supply or installation. If so, required the University may call for samples of material and equipment for approval. Samples shall be submitted within 14 days of the request and if judged necessary by the University may only be returned after completion of the installation in order to ensure that the quality of the installed product is the same as that of the approval sample. Any fitting or item of equipment not specifically mentioned but obviously necessary for the successful completion.

Service Access

Where equipment is installed, the Contractor shall ensure that access will be possible for maintenance purposes after any installation.

Scope of Work:

Pertaining to the outsourced ad-hoc, routine, PPM, risk based, condition based and emergency Fire Signage, Fire Prevention & Fire Protection systems and equipment installation, replacement, repair and maintenance services' contract scope of work; the appointed specialist contractor will be required to:

List of Campuses with lists of building names

1) Main Campus Buildings:

-
- Inform MUT in writing of any new installations, replacements, repairs or modifications required to the existing infrastructure and equipment deemed necessary. No new installation, replacement, repair or modification work must be undertaken without the written consent / approval of MUT's duly appointed representative.
 - Provide comprehensive monthly Audit / Asset Condition Assessment Reports, Asset Registers and Expenditure Reports for all Fire Signage, Fire Prevention & Fire Protection systems and equipment – MUT wide,
 - Provide MUT will a comprehensive Fire Signage, Fire Prevention & Fire Protection systems and equipment Master Plan (MUT-wide) for new installations, replacements, repairs and maintenance services outlining the below – for MUT approval:
 - Ad-hoc Maintenance Plan
 - Routine Maintenance Plan
 - Risk Based Maintenance Plan
 - Condition Based Maintenance Plan
 - Emergency Maintenance Plan.
 - OSHERQ Compliance Management Plan

Legend:

- SF = Fire Prevention & Protection Systems
- CIDB = Construction Industry Development Board
- OPEX = Operating Expenditure
- CAPEX = Capital Expenditure
- OH&S Act = Occupational Health and Safety Act 85 of 1993
- OSHERQ = Occupational, Safety, Health, Environmental, Risk and Quality [Management]

Compliance Management:

The bidder should take note of the requirements of the OH&S Act, the Construction Regulations 2003 issued in terms of Section 43 of the Act, all applicable SANS and ISO standards for Fire Signage as well as Fire Prevention & Protection Systems – inclusive of the associated electrical wiring requirements and standards. This being a specialized Fire Signage as well as Fire Prevention & Protection Systems services contract, the bidder is deemed to have acquainted themselves and fully understands the comprehensive requirements of the referred Act, Regulations, SANS codes and ISO standards. As a result, the bidder is deemed to have allowed for all cost implications in compliance therewith.

THE BIDDER:

STAGE 1: MANDATORY EVALUATION CRITERIA

PLEASE NOTE:

- Failure to submit and meet the mandatory evaluation criteria in full will lead to disqualification.
- The successful CIDB graded 2SF bidder will be required to submit a contract specific and comprehensive OSHERQ File (for MUT's approval) within 5 workdays of receiving a letter of award for this Fire Signage, Fire Prevention & Fire Protection Systems contract, prior to any work being carried out.

The below valid and verifiable documents are required:

- Signed and Initialed RFQ Document (every page), with the document completed in full)
- Completed Pricing Schedule.
- Company Registration Documents / CIPC Certificate.
- Tax Clearance Certificate and SARS Tax Pin.
- Certified ID Copies of all Company Directors.
- Board/Directors Resolution or Proxy (If not Sole Proprietor).
- Bank verification letter stamped by the bank not older than three (3) months.
- Public liability cover to the value of R1 000 000.00.
- 2SF (or higher) CIDB Grade Certificates ONLY.
- Certificates of Membership with SAQCC Fire, FPA SA and FFETA.
- ASIB Approval.
- SANAS Accreditation: Inspection of Transportable Refillable Gas Containers.
- SAMSA Certificate of Accreditation under Section 4.5 of the SAMFAS Code.
- SABS Approval (with the bidder's Permit Number and Schedule to Permit to Apply Certification Mark).
- SABS Certificate of Registration for ISO 9001:2008 Quality Management Systems (In respect of the supply, reconditioning & installation of fire-fighting equipment).
- SABS letter confirming that the bidder's on-site service vehicle has been assessed & found to comply with the requirements of SANS 1475/2010 and associated reference standards.
- Department of Labour Certificate: Transportable Gas Container Test Station (in terms of the Pressure Equipment Regulation 18 under the OH&S Act 58 of 1993).
- SANAS accredited B-BBEE certificate / an Affidavit for Exempted Micro Enterprises and Qualifying Small Enterprises (as per the B-BBEE Act) / an Affidavit signed by a Commissioner of Oaths.

The following tables set out the evaluation & scoring matrix for the functionality criteria, for each outsourced resource.

NB: The bidder must submit comprehensive CVs (further to filling in – in full, the abridged CV forms below), Certified / Verifiable Membership and Professional Registration Certificates as well as all Certified / Verifiable Relevant Qualifications of all key personnel that will be assigned to this Fire Signage, Fire Prevention & Fire Protection Systems contract.

THE BIDDER & THEIR CONTRACT RESOURCES:

STAGE 2: FUNCTIONALITY EVALUATION CRITERIA	SCORING
<p>PLEASE NOTE:</p> <ul style="list-style-type: none"> ▪ Failure to submit and meet: <ul style="list-style-type: none"> - The functionality evaluation stage's <u>mandatory</u> requirements will lead to the disqualification of the bidder. - The red-highlighted functionality evaluation stage's conditional criteria will lead to the bidder being disqualified. Minimum qualifying points refer, i.e., 21 points of the total 39 points score card (as highlighted in red below). ▪ The bidder must fill in (in full) and submit the <u>mandatory</u> abridged CV forms below for all their contract resources. This includes the bidder's Company Profile. Furthermore, <ul style="list-style-type: none"> - Certified / Verifiable Membership and Professional Registration Certificates as well as all Certified / Verifiable Relevant Qualifications of all key contract personnel that will be assigned to this Fire Signage as well as Fire Prevention & Protection Systems contract must be submitted. This is <u>mandatory</u>. - Any additional information that may assist MUT to further assess the bidder's technical and service delivery capacity for this specialized Fire Signage, Fire Prevention & Fire Protection Systems contract will be advantageous. ▪ Whilst it's not stated herein that it's mandatory for Fire Signage, Fire Prevention & Fire Protection Systems Assistants to undergo formal and accredited OH&S training in respect of safe work procedures, the successful bidder will be required to provide proof (in their OSHERQ File) that they have undergone internal training (including but not limited to Tool-Box Talks for each task that will be performed under this contract). ▪ Whilst it's NOT mandatory for the successful bidder to source any/all Fire Signage, Fire Prevention & Fire Protection Systems Assistants for this contract from Umlazi Wards 88 & 89, MUT would like to encourage the bidder to do so (where possible) for the purposes of enhancing local participation on this contract. <ul style="list-style-type: none"> - Should the successful bidder source any/all Fire Signage, Fire Prevention & Fire Protection Systems Assistants from Umlazi Wards 88 & 89, the successful bidder will be required to provide MUT with letters issued by the Ward 88 & 89 Councillors, only this will serve as proof of residency by the Fire Signage, Fire Prevention & Fire Protection Systems Assistants in these two Wards. 	
<p><u>Mandatory Qualification/s (1 x Contract Manager):</u> The following clear and certified copies are required for this resource:</p> <ul style="list-style-type: none"> ▪ RSA ID ▪ SAQCC Fire Card (Competent Person as per the OH&S Act 85 of 1993) <p>NB: Bidders' Specialist Fire Signage as well as Fire Prevention & Protection Systems Technicians that don't meet the above 2 criteria will be disqualified.</p> <p><u>Conditional Qualification/s (1 x Contract Manager):</u> The following clear and certified / verifiable copies are required for this resource:</p> <ul style="list-style-type: none"> ▪ DoL, QCTO, HWSeta & SAIOSH accredited and endorsed OH&S certificates, based on the SAQA curriculum, in respect of all safe work procedures that relate to the full provision of this contract's deliverables, e.g., working at heights, first aid, firefighting, etc. If not already acquired, the bidder must provide a Pro-forma Invoice from an accredited training 	<p>1 Point 1 Point</p> <p>1 Point</p>

<p>provider verifying that this resource will complete the requisite training within 5 workdays of receiving a letter of award. <p><u>Mandatory Bidder's Geographical Location (Business Premises):</u></p>	
<ul style="list-style-type: none"> ▪ Umlazi 	<p style="text-align: right;">4 Points</p>
<ul style="list-style-type: none"> ▪ eThekweni Municipality 	<p style="text-align: right;">3 Points</p>
<ul style="list-style-type: none"> ▪ KZN Province 	<p style="text-align: right;">2 Points</p>
<ul style="list-style-type: none"> ▪ Outside of the KZN Province 	<p style="text-align: right;">1 Point</p>

PLEASE NOTE:

- Failure to submit proof of business address in any of the prescribed format below will lead to the disqualification of the bidder, i.e.:
 - Municipal bill not older than 3-months.
 - Title deed of property.
 - Copy of a Lease agreement.
 - Affidavit confirming proof of business address.

Mandatory Bidder's Experience:

<ul style="list-style-type: none"> ▪ 3 client reference letters for completed Fire Signage, Fire Prevention and Fire Protection installation, replacement, repair and maintenance contracts / projects with a value of R500 000.00 – R1 000 000.00 (as per the CIDB Works Capability criteria for 2ME graded contractors) 	<p>3 Points</p>
<ul style="list-style-type: none"> ▪ 2 client reference letters for completed Fire Signage, Fire Prevention and Fire Protection installation, replacement, repair and maintenance contracts / projects with a value of R500 000.00 – R1 000 000.00 (as per the CIDB Works Capability criteria for 2ME graded contractors) 	<p>2 Points</p>
<ul style="list-style-type: none"> ▪ 1 client reference letter for completed Fire Signage, Fire Prevention and Fire Protection installation, replacement, repair and maintenance contracts / projects with a value of R500 000.00 – R1 000 000.00 (as per the CIDB Works Capability criteria for 2ME graded contractors) 	<p>1 Point</p>

PLEASE NOTE:

- Failure to submit any clients' reference letters as proof of equivalent service duration and value for a minimum of one (1) client stated on the Company Profile Template will lead to the disqualification of the bidder.
 - Signed reference letters (on letterheads of the organizations, with contactable personnel) of contracts / projects similar to this Fire Signage, Fire Prevention & Fire Protection installation, replacement, repair and maintenance contract's scope of work must be provided. This is mandatory, therefore bidders that don't submit any client reference letter will be disqualified.
 - Letters of Agreement / Award, Purchase Orders and existing Fire Signage, Fire Prevention & Fire Protection maintenance / replacement / repair / installation service contracts that haven't exceeded the 1, /2 or 3-year duration of the required service experiences may not replace the relevant and required bidder's experience for these reference letters.
 - Bidders are encouraged to submit their full company profiles as well for additional information that may assist MUT to further assess their service capacities.

GRAND-TOTAL: FUNCTIONALITY EVALUATION CRITERIA	Out of 39 Points
---	-----------------------------

PLEASE NOTE:

- The functionality criterion aims to assess the capability of the bidder to plan, execute and successfully deliver upon this specialized Fire Signage, Fire Prevention & Fire Protection installation, replacement, repair and maintenance services contract's expectations.
- Bidders must obtain a minimum percentage score of 21 out of the 39 total points for the functionality criterion to progress to the next stage (Stage 3: Pricing) of this RFQ's evaluation process.
 - Reference is made to Mandatory v/s Conditional v/s Advantageous Criteria for the Functionality Stage.
 - MUT reserves the right not to appoint the lowest received bid price. MUT reserves the right to negotiate the price of the recommended bidder to market related rates. MUT reserves the right to appoint a bidder that will add service value to this contract's performance. Therefore, during the evaluation process, points scored in the Functionality Stage will supersede the tendered Pricing. This will inform the basis of the successful bidder's appointment.

STAGE 3: PRICING EVALUATION CRITERIA

PRICING SCHEDULE / BILL OF QUANTITIES 1: CATEGORY A - HUMAN CAPITAL & GENERAL CONTRACT COSTS

PLEASE NOTE:

1. This is a Firm & Fixed Pricing Model
2. Only firm prices will be accepted. Non-firm prices (including prices subject to rates of exchange variations) will not be considered.
3. In cases where different delivery points influence the pricing, a separate pricing schedule must be submitted for each delivery point.
4. This is a rate-based & fixed fee specialized Fire Signage, Fire Prevention & Fire Protection systems + equipment services contract. Therefore, the quantities noted below are for evaluation & adjudication purpose ONLY per asset category. The bidder's offered unit rates v/s total amounts noted below will be utilized to calculate the actual total contract costs for the stated contract duration.

No	Description	Location	Unit	Quantity	Rate	Total Amount (Qty x Rate)
----	-------------	----------	------	----------	------	---------------------------

1.	Cost of Technical Human Capital Resources:					
1.1	Contract Manager	MUT wide	Per/Hour	1		
1.2	SAQCC Fire Registered Technicians	MUT wide	Per/Hour	3		
1.3	Assistants (to the SAQCC Fire Registered Technician)	MUT wide	Per/Hour	3		
1.4	OSHERQ Compliance Management Officer	MUT wide	Per/Hour	1		
2.	General Contract Costs:					

2.1	Administration (Technical Inspection Reports, Quotations, Service Sheets / Job Cards, Credit Notes, Invoices & Statements - combined)	MUT wide	Per/Hour	1		
2.2	Call-out Fee (Normal Office Hours)	MUT wide	Per/Call-out	1		
	Call-out Fee (Outside Office Hours)	MUT wide	Per/Call-out	1		
2.3	Transportation Charge	MUT wide	Per/KM	1	N/A (the current mandated AA R/KM will apply)	N/A (the current mandated AA R/KM will apply)
2.4	Monthly Audit / Asset Condition Assessment Report Fee	MUT wide	Per/Hour	1		
2.5	Monthly Asset Register Fee	MUT wide	Per/Hour	1		
2.6	Monthly Expenditure Report Fee	MUT wide	Per/Hour	1		
2.7	OSHERQ File	MUT wide	Per/Complete File	1		
Sub-total						
Mark-up on Parts / Components & Equipment Fee (percentage @____% of the monetary value relative to R1.00)						
Profit Margin Fee (indicate percentage @____% of the total monetary value, excluding the Mark-up Fee)						
VAT @15% (where applicable ONLY)						
Total Bid Price (Category A: Human Capital & General Contract Costs) in RSA Currency						

[All applicable taxes included]

Important Notes:

1. The intent of this RFQ is to procure the services of one (1) 2SF (or higher) CIDB graded SMME Fire Signage, Fire Prevention & Fire Protection one (1) specialist contractor that will provide the MUT Maintenance Department with outsourced installation, replacement, repair & maintenance services for all existing & planned fire equipment, parts / components & systems (on a rate-based & fixed-fee contract).
2. The Unit price (Rate P/H) is indicative of the total costs for the provision of each outsourced resource. The bidder must provide (in a separate pricing schedule) a detailed/descriptive cost breakdown of all contract disbursements for the full provision of the required services. The total cost for all monthly disbursements must be included in the Pricing Schedule above, which will be deemed to be an exhaustive list & total amount. The mark-up fee & profit margin fee must be indicated separately in the Pricing Schedule.
3. Any & all services that will be provided on an ad-hoc/emergency basis outside of MUT working hours must be submitted by the contractor to, then pre-authorized in writing by the MUT Maintenance Department's authorized official prior to any services being provided. Standard after hours, weekend & public holiday rates shall apply.
4. The contents of a Task Order Form will be agreed upon & pre-signed by the two parties to regulate the scope, deliverables, milestones & timelines for each task under this contract. This will form part of the SLA for this specialized Fire Signage, Fire Prevention & Fire Protection contract.
5. The successful bidder cannot change any of the resources outsourced to MUT for the entire duration of the contract, unless otherwise approved in writing by the MUT Maintenance Department's authorized official. The service providers' personnel will be issued with access cards.
6. At any point for the duration of this contract, the MUT Maintenance Department's authorized official reserves the right to instruct the appointed contractor to immediately change any & all resources outsourced to MUT due to (including but not limited to):
 - Poor performance / incapacity / delayed services / poor workmanship quality / unacceptable behavior.
7. An OSHERQ File must be submitted by the appointed contractor & approved by MUT as aforesaid. Failure to comply with this & all applicable statutory requirements will result in the appointed contractor not being permitted to carry out any work on MUT premises. Failure by the appointed contractor to always maintain a compliant OSHERQ file will lead to the contractor being instructed to immediately leave the MUT premises, reported to the necessary regulatory body/ies and be penalized accordingly.
8. Penalties for these service deficiencies will be charged to the appointed contractor for each service deficiency that is pending. Hereunder the applicable penalties which will form part of this contract's SLA:

Minimum Service Level Agreement	Targets (Response & Turnaround Times)	Applicable Penalties
On-campus response to normal call-outs (within 1 hour of each call-out being logged)	100% Response Time	10% of the billable labour costs, per reported incident.
*On-campus resolution of normal call-outs (within 4 hours of each call-out being logged)	100% Turnaround Time	10% of the billable labour costs, per reported incident.
On-campus response to emergency call-outs (within 1 hour of each call-out being logged)	100% Response Time	15% of the billable labour costs, per reported incident.

*On-campus resolution of emergency call-outs (within 2 hours of each call-out being logged)	100% Turnaround Time	15% of the billable labour costs, per reported incident.
Compliance with any & all applicable statutory regulations	100% Compliance	To be cascaded in the SLA
Compliance with any & all contract agreements	100% Compliance	To be cascaded in the SLA

*= "On-campus resolution of normal & emergency call-outs (within the aforesaid hours of each call-out being logged)": where delays are beyond the control of the appointed bidder, it is the contractor's responsibility to inform MUT (prior / timeously) and provide comprehensive details, i.e., nature of the delay & expected response / turnaround time.

THE BIDDER:

STAGE 4: B-BBEE

Signature of Bidder's Representative:	

DECLARATION OF INTEREST:

1. Any legal person, including persons employed by the state¹, or persons having a kinship with persons employed by the state, including a blood relationship, may make an offer or offers in terms of this invitation to bid (includes a price quotation, advertised competitive bid, limited bid or proposal). In view of possible allegations of favouritism, should the resulting bid, or part thereof, be awarded to persons employed by the state, or to persons connected with or related to them, it is required that the bidder or his/her authorised representative declare his/her position in relation to the evaluating/adjudicating authority where:

- The bidder is employed by the state; and/or
- The legal person on whose behalf the bidding document is signed, has a relationship with persons/a person who are/is involved in the evaluation and or adjudication of the bid(s), or where it is known that such a relationship exists between the person or persons for or on whose behalf the declarant acts and persons who are involved with the evaluation and or adjudication of the bid.

2. In order to give effect to the above, the following questionnaire must be completed and submitted with the bid.

2.1 Full Name of bidder or his or her representative:

2.2 Identity Number:

2.3 Position occupied in the Company (Director, Trustee, Shareholder²):

2.4 Company Registration Number:

2.5 Tax Reference Number:

2.6 VAT Registration Number:

2.6.1 The names of all directors / trustees / shareholders / members, their individual identity numbers, tax reference numbers and, if applicable, employee / persal numbers must be indicated in paragraph 3 below.

¹"State" means:

- (a) Any national or provincial department, national or provincial public entity or constitutional institution within the meaning of the Public Finance Management Act, 1999 (Act No. 1 of 1999);
- (b) Any municipality or municipal entity;
- (c) Provincial legislature;
- (d) National Assembly or the national Council of provinces; or
- (e) Parliament.

²"Shareholder" means a person who owns shares in the company and is actively involved in the management of the enterprise or business and exercises control over the enterprise.

2.7 Are you or any person connected with the bidder presently employed by the state?

YES / NO

2.7.1 If so, furnish the following particulars:

- Name of person / Director / Trustee / Shareholder/ Member:
-
- Name of state institution at which you or the person connected to the bidder is employed:
-
- Position occupied in the state institution:
-
- Any other particulars:
-

2.7.2 If you are presently employed by the state, did you obtain the appropriate authority to undertake remunerative work outside employment in the public sector? **YES / NO**

2.7.2.1 If yes, did you attach proof of such authority to the bid document? **YES / NO**

(Note: Failure to submit proof of such authority, where applicable, may result in the disqualification of the bid).

2.7.2.2 If no, furnish reasons for non-submission of such proof:

.....

.....

2.8 Did you or your spouse, or any of the company's Directors / Trustees / Shareholders / Members or their spouses conduct business with the state in the previous twelve months? **YES / NO**

2.8.1 If so, furnish particulars:

.....

.....

2.9 Do you, or any person connected with the bidder, have any relationship (family, friend, other) with a person employed by the state and who may be involved with the evaluation and or adjudication of this bid? **YES / NO**

2.9.1 If so, furnish particulars:

.....

.....

2.10 Are you, or any person connected with the bidder, aware of any relationship (family, friend, other) between any other bidder and any person employed by the state who may be involved with the evaluation and or adjudication of this bid?

YES / NO

2.10.1 If so, furnish particulars:

.....

.....

2.11 Do you or any of the Directors / Trustees / Shareholders / Members of the company have any interest in any other related companies whether or not they are bidding for this contract?

YES/NO

2.11.1 If so, furnish particulars:

.....

.....

3. Full details of Directors / Trustees / Members / Shareholders:

Full Name	Identity Number	Personal Tax Reference Number	State Employee Number / Persal Number

DECLARATION OF BIDDER'S PAST SUPPLY CHAIN MANAGEMENT PRACTICES:

1. This Standard Bidding Document must form part of all bids invited.
2. It serves as a declaration to be used by institutions in ensuring that when goods and services are being procured, all reasonable steps are taken to combat the abuse of the supply chain management system.
3. The bid of any bidder may be disregarded if that bidder, or any of its Directors have:
 - (a) Abused the institution's supply chain management system;
 - (b) Committed fraud or any other improper conduct in relation to such system; or
 - (c) Failed to perform on any previous contract.
4. **In order to give effect to the above, the following questionnaire must be completed and submitted with the bid.**

Item	Question	Yes	No
4.1	<p>Is the bidder or any of its directors listed on the National Treasury's Database of Restricted Suppliers as companies or persons prohibited from doing business with the public sector?</p> <p>(Companies or persons who are listed on this Database were informed in writing of this restriction by the Accounting Officer/Authority of the institution that imposed the restriction after the <i>audi alteram partem</i> rule was applied).</p> <p>The Database of Restricted Suppliers now resides on the National Treasury's website(www.treasury.gov.za) and can be accessed by clicking on its link at the bottom of the home page.</p>	Yes <input type="checkbox"/>	No <input type="checkbox"/>
4.1.1	If so, furnish particulars:		
4.2	<p>Is the bidder or any of its Directors listed on the Register for Tender Defaulters in terms of section 29 of the Prevention and Combating of Corrupt Activities Act (No 12 of 2004)?</p> <p>The Register for Tender Defaulters can be accessed on the National Treasury's website (www.treasury.gov.za) by clicking on its link at the bottom of the home page.</p>	Yes <input type="checkbox"/>	No <input type="checkbox"/>
4.2.1	If so, furnish particulars:		

4.3	Was the bidder or any of its Directors convicted by a court of law (including a court outside of the Republic of South Africa) for fraud or corruption during the past five years?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
4.3.1	If so, furnish particulars:		
4.4	Was any contract between the bidder and any organ of state terminated during the past five years on account of failure to perform on or comply with the contract?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
4.4.1	If so, furnish particulars:		

CERTIFICATION:

The bidder:

- I, THE UNDERSIGNED (FULL NAME)
CERTIFY THAT THE INFORMATION FURNISHED ON THIS DECLARATION FORM IS TRUE AND CORRECT.
- I ACCEPT THAT, IN ADDITION TO THE CANCELLATION OF A CONTRACT, ACTION MAY BE TAKEN AGAINST ME SHOULD THIS DECLARATION PROVE TO BE FALSE.

CERTIFICATE OF INDEPENDENT BID DETERMINATION:

1. This document must form part of all bids¹ invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
3. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - (a) Disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - (b) Cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
4. This form serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination must be completed and submitted with the bid:

¹ **Includes price quotations, advertised competitive bids, limited bids, and proposals.**

² **Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices, or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.**

DECLARATION OF BIDDER'S PAST SUPPLY CHAIN MANAGEMENT PRACTICES:

I, the undersigned, in submitting the accompanying bid:

(Bid Number and Description)

in response to the invitation for the bid made by:

(Name of Institution)

do hereby make the following statements that I certify to be true and complete in every respect:

I certify, on behalf of: _____ that:
(Name of Bidder)

1. I have read and I understand the contents of this Certificate.
2. I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect.
3. I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder.
4. Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign the bid, on behalf of the bidder.
5. For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:
 - (a) Has been requested to submit a bid in response to this bid invitation.
 - (b) Could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities, or experience; and
 - (c) Provides the same goods and services as the bidder and/or is in the same line of business as the bidder.
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However, communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
 - (a) Prices
 - (b) Geographical area where product or service will be rendered (market allocation)
 - (c) Methods, factors, or formulas used to calculate prices.
 - (d) The intention or decision to submit or not to submit, a bid.
 - (e) The submission of a bid which does not meet the specifications and conditions of the bid;
or
 - (f) Bidding with the intention not to win the bid.

8. In addition, there have been no consultations, communications, agreements, or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.
9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
