

UNIVERSITY NOTICE

TO: THE ENTIRE MUT COMMUNITY

Important Information Regarding University Access and Security During Holidays and Weekends

For the safety and security of our campus community, please take note of the following operational changes during University holidays and weekends:

- Access Point: The Main Gate will be the only designated entrance and exit for all vehicles and pedestrians;
- Gate Closures: All other entrances, including Gate 19 and Seme Hall Gate, will be closed during these times;
- Emergency Access, which is Gate 19: While generally closed, Gate 19 may be opened in emergency situations only, such as for essential deliveries of large items by contractors; and
- TSC Entrance hours: The TSC entrance will be open on weekdays from 7:00 am to 10:00 am to facilitate traffic flow. The TSC entrance will be closed on holidays and weekends. Please remember that standard security protocols, including vehicle checks, car searches, and ID verification, will be in place.

We thank you for your cooperation in ensuring a safe and secure environment for everyone on campus.

Regards

PROTECTION SERVICES
