submission  
form

This year's symposium celebrates the innovation, wisdom, and evolving role of traditional medicine in Africa's contemporary health systems. We aim to provide a dynamic platform for scholars, students, and practitioners to share insights, research, and case studies that contribute to the integration of African indigenous knowledge in advancing health and well-being.

### WHY SUBMIT?

- Present your research to a diverse regional audience
- Contribute to African health innovation and policy
- Network with academics, regional policy makers traditional healers, and health professionals
- Earn **CPD points** as a presenter
