## SECTION 1- BIDDER'S INFORMATION, CONDITIONS AND TERMS OF REFERENCE

Bidder's Name:	
Contact Number:	
Name & Surname of Authorized Person:	
E-mail:	
Company Registration Number:	

### 1.1. RFQ CONDITIONS:

1. Bidders must submit all necessary documents and complete all forms and questionnaires contained in this RFQ in full. MUT applies the two-stage process of evaluating tenders, namely functionality and B-BBEE component.
2. Pricing: do not show separately.
3. Bidders responding to this quotation are deemed to do so, on the basis that they acknowledge and accept all Terms of Reference of this quotation.
4. The 90-day validity period may not be extended unless otherwise stated by the bidder.
5. Incomplete or late submissions will not be evaluated.
6. Return quotations to the email address provided herein before closing date and time.

### 1.2. WHAT IS MUT LOOKING FOR?

Mangosuthu University of Technology (MUT) requires the appointment of a panel of seven (7) suitably qualified and experienced CIDB-graded EB3 and EB4 contractors to provide electrical maintenance services on an as-and-when-required basis across the University's campuses, facilities, buildings, residences, and associated infrastructure.

The purpose of establishing this panel is to ensure that the University has access to responsive, competent, and adequately resourced contractors to undertake a range of electrical maintenance, repair, replacement, fault-finding, minor refurbishment, and emergency electrical works as and when the need arises. The panel arrangement is intended to support the University in maintaining the safety, reliability, compliance, and operational continuity of its electrical infrastructure.

Due to the nature of electrical maintenance requirements, which may arise on a planned, routine, preventative, reactive, or emergency basis, it is necessary for the University to have multiple service providers available to ensure adequate capacity, timely response, reduced service interruptions, and continuity of operations. The panel will also enable the University to allocate

work in accordance with its approved SCM procedures, operational priorities, contractor availability, performance history, and the nature or location of the required work.

The appointed panel contractors will not be guaranteed any minimum value or volume of work. Work will be issued strictly on an as-and-when-required basis, subject to the availability of budget, operational requirements, and approval in terms of the applicable SCM policy and procedure

### **1.3. SCOPE OF WORK:**

The scope of work shall include the provision of electrical maintenance services for university buildings, infrastructure, plant, facilities, and related installations. The appointed contractors may be required to provide the following services:

#### **2.1 Reactive and Breakdown Maintenance**

The contractor shall attend to electrical faults, breakdowns, failures, and defects reported by the University, including but not limited to:

- Fault finding, diagnosis, and rectification of electrical failures
- Repair or replacement of damaged electrical components and accessories
- Restoration of electrical supply interruptions
- Repair of lighting circuits, plug circuits, distribution boards, and related installations
- Rectification of tripping problems, overloads, short circuits, and earth leakage faults
- Repair or replacement of isolators, circuit breakers, contactors, relays, timers, switches, sockets, fittings, and associated components
- Repair of internal and external lighting systems

#### **2.2 Routine and General Electrical Maintenance**

The contractor shall perform day-to-day maintenance and minor electrical works, including:

- Replacement of light fittings, lamps, bulbs, ballasts, drivers, and starters
- Replacement or repair of switches, sockets, plug points, trunking, conduit, and wiring
- Repair, replacement, and maintenance of distribution boards and sub-distribution boards
- Tightening of loose connections and termination points
- Checking and repair of damaged cabling and electrical accessories
- Maintenance of power supply points serving offices, lecture venues, laboratories, workshops, residences, and common areas
- Minor rewiring and electrical alterations where required

#### **2.3 Planned Preventative Maintenance**

The contractor may be required to undertake planned preventative maintenance to reduce failures and improve the reliability and safety of the University's electrical systems. This may include:

- Scheduled inspections of electrical installations and equipment
- Preventative servicing of distribution boards, switchgear, isolators, and control panels
- Testing of circuits and electrical components for performance and safety
- Inspection of cabling, terminations, breakers, protection devices, and lighting systems
- Identification and reporting of worn, overloaded, obsolete, or defective components
- Recommendations for repairs, replacements, upgrades, or risk mitigation measures

## **2.4 Emergency Electrical Maintenance Services**

The contractor shall be required to respond to urgent and emergency electrical incidents that may pose risk to persons, property, operations, or service continuity. This may include:

- Electrical outages affecting critical facilities or large sections of campus
- Dangerous exposed wiring, burning smells, sparks, overheating, or fire-related risks
- Tripping of critical circuits or boards affecting teaching, residences, security, ICT, laboratories, or administration
- Emergency isolation and making safe of defective installations
- Immediate repair work to restore essential electrical services
- Attendance after hours, over weekends, public holidays, or during campus shutdown periods where necessary

## **2.5 Minor Installations and Alterations**

The contractor may also be required to carry out minor electrical installation works associated with maintenance and operational requirements, such as:

- Installation of additional plug points, light fittings, isolators, and switches
- Minor extension or rerouting of circuits
- Relocation of existing electrical points and fittings
- Installation and connection of small electrical equipment where required
- Electrical work associated with office moves, space reconfigurations, or minor refurbishments
- Removal and replacement of obsolete or damaged electrical fittings and accessories

### **Legend:**

- EB = Electrical Engineering Works - Building
- CIDB = Construction Industry Development Board
- OPEX = Operating Expenditure
- CAPEX = Capital Expenditure
- OSHERQ = Occupational, Safety, Health, Environmental, Risk & Quality [Management]

## **1.4. CONTRACT PERIOD**

Panel Validity Period: Six (6) Months or until the RFQ financial threshold is reached, whichever occurs first.

## **1.5. IMPORTANT NOTES:**

1. The intent of this RFQ is to procure the services of EB3-4 CIDB graded SMME electrical maintenance contractors that will provide the MUT Maintenance Department with outsourced technical services (on a rate-based & fixed-fee contract).
2. The Unit price (Rate P/H) is indicative of the total costs for the provision of each outsourced resource. The bidder must provide (in a separate pricing schedule) a detailed/descriptive cost breakdown of all contract disbursements for the full provision of the required services. The total cost for all monthly disbursements must be included in the Pricing Schedule above, which will be deemed to be an exhaustive list & total amount. The mark-up fee & profit margin fee must be indicated separately in the Pricing Schedule.
3. Any & all services that will be provided on an ad-hoc/emergency basis outside of MUT working hours must be submitted by the service provider/s to, then pre-authorized in writing by the MUT Maintenance Department's authorized official prior to any services being provided. After hours, weekend & public holiday rates shall apply.
4. The contents of a Task Order Form will be agreed upon & pre-signed by the two parties to regulate the scope, deliverables, milestones & timelines for each task under this contract.
5. The service providers cannot change any of the resources outsourced to MUT for the entire duration of the contract, unless otherwise approved in writing by the MUT Maintenance Department's authorized official. The service providers' personnel will be issued with access cards.
6. At any point regarding the duration of this contract, the MUT Maintenance Department's authorized official reserves the right to instruct the service provider/s to immediately change any & all resources outsourced to MUT due to (including but not limited to):
7. Poor performance / incapacity / delayed services / poor workmanship quality / unacceptable behavior.
8. Penalties for these service deficiencies will be charged to the service providers at a daily rate of 1% of the total invoice value for each service deficiencies that is pending.

## **1.6. CONTRACT ADMINISTRATION AND TASK ORDERS**

1. No work may commence without a written task order or written instruction issued by the authorised MUT representative.
2. Emergency, after-hours, weekend and public holiday work must be pre-authorized in writing, except where immediate attendance is expressly instructed by MUT to prevent loss or damage, in which case written confirmation must follow as soon as reasonably possible.

3. Each task order shall define the scope, deliverables, timeframes, response expectations and approval arrangements.
4. Completed work must be signed off by the designated MUT representative before invoicing.
5. MUT reserves the right to rotate work among panel members, obtain quotations from panel members for specific tasks, or use any approved panel allocation method provided this is applied fairly, transparently and in line with MUT policy.
6. MUT may require replacement of any deployed resource whose performance, conduct, workmanship or compliance is unsatisfactory.

#### **1.7. REMEDIES, RESERVATION OF RIGHTS AND GENERAL CONDITIONS**

1. MUT is not obliged to appoint any bidder and may cancel the RFQ or panel process in accordance with applicable law and policy.
2. MUT reserves the right to verify any information submitted and to request clarification or substantiation where necessary.
3. MUT reserves the right to negotiate with the highest scoring acceptable bidder(s) in line with applicable law and internal policy, provided such negotiations do not materially prejudice any bidder or alter the basis of the competition unlawfully.
4. Any false declaration, misrepresentation, fronting practice, fraud or misstatement may result in disqualification, cancellation of contract, reporting to relevant authorities and/or restriction in accordance with applicable legislation.
5. The successful panel members shall at all times remain compliant with tax, CSD, COIDA, CIDB, PIRB and insurance requirements during the contract period.

### 2.3.1 POINTS AWARDED FOR PRICE

#### THE 80/20 PREFERENCE POINT SYSTEMS

A maximum of 80 points is allocated for price on the following basis: 80/20

$$P_s = 80 \left( 1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where:

$P_s$  = Points scored for price of bid under consideration

$P_t$  = Price of bid under consideration

$P_{\min}$  = Price of lowest acceptable bid

$P_{\min}$  = Price of lowest acceptable bid

#### POINTS AWARDED FOR B-BBEE STATUS LEVEL OF CONTRIBUTOR

In terms of Regulation 6 (2) and 7 (2) of the Preferential Procurement Regulations, preference points must be awarded to a bidder for attaining the B-BBEE status level of contribution in accordance with the table below:

8	2
Non-compliant contributor	0

**Note:**

**Non-compliant contributors or failure to provide certification substantiating the BBEE status level of contribution will result in the Bidder being awarded zero (0) points for the preference point system.**

### **3 MUT RFQ FORM DECLARATION**

1. I/We hereby render to supply all or any of the supplies and/or to render all or any of the services described in the attached documents to MUT on the items and conditions and in accordance with the specifications stipulated in the RFQ documents (and which shall be taken as part of, and incorporated into, this RFQ), and on the terms regarding time for delivery and/or execution stipulated therein.
2. I/We agree that the offer herein shall remain binding upon me/us and open for acceptance by MUT during the validity period indicated and calculated from the closing time of the RFQ.
3. If I/we withdraw my/our RFQ within the period for which I/we have agreed that the RFQ should remain open for acceptance or fail to fulfil the contract when called upon to do so, MUT may without prejudice to its other rights, agree to the withdrawal of my/or RFQ or cancel the contract that may have been entered into between me/us and MUT and I/we will then pay to MUT any additional expense incurred by MUT having either to accept any less favourable RFQ or fresh RFQs have to be invited, the additional expenditure incurred by the invitation of fresh RFQ and by the subsequent acceptance of any less favourable RFQ, MUT shall also have the right to recover such additional expenditure by set-off against moneys which may be due or become to me/us under this or any other RFQ or contract or against any guarantee or deposit that have been furnished by me/us or on my/our behalf for the due fulfilment of this or any other RFQ or contract and pending the ascertainment of the amount of such additional expenditure to retain such moneys, guarantee or deposit as security for any loss MUT may sustain by reason of my/our default.
4. If my/our RFQ is accepted the acceptance may be communicated to me/us by letter or ordinary post or registered post and that SA Post Office Ltd shall be regarded as my/our agent. Delivery or such acceptance to SA Post Office Ltd shall be treated as delivery to me/us.
5. The law of the Republic of South Africa shall govern the contract created by the acceptance of my/our RFQ and that I/we choose domicilium citandi et executandi in the Republic (full address).
6. I/We furthermore confirm that I/we have satisfied myself/ourselves as to the correctness and validity of my/our RFQ, and that it covers all the work/item(s) in these documents and all my/our obligations under a resulting contract. I/we accept that any mistakes in the RFQ submission will be at my/our risk.
7. I/we hereby accept full responsibility for the proper execution and fulfilment of all obligations and conditions devolving on me/us under this agreement as the Principal(s) liable for the due fulfilment of this contract.
8. I/We agree that any action from this contract in all respects be instituted against me/us and I/we hereby undertake to satisfy fully any sentence or judgment which may be pronounced against me/us as a result of such action.
9. I/We declare that I/we have participation /no participation in the submission of any other offer for the supplies/service described in the attached documents. If in the affirmative, state name(s) or RFQ(s) involved.
