SECTION 1- RFQ CONDITIONS AND INSTRUCTIONS, TERMS OF REFERENCE AND BIDDERS' DISCLOSURE

1.1. RFQ CONDITIONS AND INSTRUCTIONS:

1. Bidders must submit all necessary documents and complete all forms and questionnaires contained in this RFQ in full. MUT applies the two-stage process of evaluating tenders, namely functionality and Price component.
2. MUT does not permit advance payments. Bidders are required to make provision for all costs associated with the supply and delivery of the goods/services. Payment shall be made only after successful completion of the required deliverables, verification by the end-user department, and receipt of a valid tax invoice.
3. Pricing: do not show separately.
4. Bidders responding to this quotation are deemed to do so, on the basis that they acknowledge and accept all Terms of Reference of this quotation.
5. The 90-day validity period may not be extended unless otherwise stated by the MUT
6. Incomplete or late submissions will not be evaluated.
7. Return quotations to the email address provided herein before closing date and time.
8. Should the bidder not receive the letter of award or the purchase order within the validity period, the bidder must consider their quotation unsuccessful.
9. MUT reserves the right to appoint or not appoint any bidder. MUT is not bound to accept the lowest-priced quotation or any quotation received. The University may, at its sole discretion and subject to the availability of funds, award the contract in whole or in part, increase or decrease the quantities required, or omit certain items from the scope of work without incurring any liability to bidders. The contract will be awarded to the bidder whose quotation is considered to provide the best value and overall benefit to MUT.
10. Fraud and Corruption Prevention:

MUT is committed to conducting all procurement processes in a fair, transparent, competitive, and ethical manner.

Bidders/Respondents are encouraged to report any suspected fraud, corruption, bribery, collusion, solicitation of payment, conflict of interest, or any attempt to improperly influence the outcome of this procurement process.

Reports may be submitted confidentially and, where applicable, anonymously through the University's independent whistleblowing reporting channels:

Free Call: 0800 228 999

Email: mut@thehotline.co.za

Website: <https://www.thehotline.co.za/report> – use 0800 228 999 to report

Mobile Application: Vuvuzela Hotline App (available on Google Play Store) using reference number 0800 228 999

SMS: 30916

Fax: 0867 261 681

No bidder or respondent shall suffer prejudice for reporting suspected unethical or unlawful conduct in good faith.

Any bidder found to have engaged in fraudulent, corrupt, collusive, coercive, or unethical practices may be disqualified from the procurement process and may be subjected to further action in accordance with applicable legislation, National Treasury prescripts, and MUT policies.

1.2. WHAT IS MUT LOOKING FOR?

Mangosuthu University of Technology invites suitably qualified and experienced service providers to submit a quotation for the supply, delivery, installation, testing and commissioning of two new 25 kW in-row cooling units, including associated refrigerant copper pipework, drainage, brackets and all items required for a complete operational installation.

1.3. SCOPE OF WORK:

The objective is to procure a complete in-row cooling solution for the designated site. The appointed service provider will be responsible for providing correctly sized and compatible equipment, completing the installation professionally, and handing over a tested and commissioned system with the required documentation and support information.

Scope of Supply and Services:

- Supply two new Axil 25 kW in-row cooling units, or an approved equivalent that fully meets the stated capacity and site requirements.
- Deliver both units to the nominated site, including off-loading, handling and movement to the installation area.
- Supply and install the required copper refrigerant piping. The source quotation refers to approximately 15-20 units of pipework but does not state the measurement unit; bidders must measure the route, state the unit and include the actual required length in the fixed price.
- Supply and install condensate drainage, brackets, supports, fixings, insulation, fittings and consumables required for a complete installation.
- Position, install, connect, test and commission both units.
- Perform start-up checks, functional tests and operational verification in accordance with the manufacturer requirements.
- Provide user orientation and handover documentation upon completion.
- Remove installation debris and leave the work area clean and safe

1.4 BIDDER'S DISCLOSURE
